OUR STORY

GD2R Solutions is a privately owned South African company established in 2023 with representation in the Western Cape and greater Gauteng area.

As highly motivated professionals with complimentary business backgrounds, we wanted to create a business with a meaningful impact. We know that the provision of high-quality ingredients and industrial additives to manufacturers are essential for the South African economy.

Our skills and experience provide us with a unique opportunity to source and supply much needed products in a significant supply chain.

The logo for GD2R Solutions features the company name in a teal color. 'GD2R' is in a bold, sans-serif font, while 'Solutions' is in a lighter, sans-serif font. The text is centered within a large, thin teal circle. The background of the slide is white with several faint, overlapping circular patterns in shades of grey and beige, resembling liquid in petri dishes or beakers.

WHY CHOOSE GD2R SOLUTIONS ?

Having over 85 years of combined experience in the food and industrial sectors, our success is based on our in-depth exposure to a variety of markets including:

- Alcoholic Beverages
- Coffee and Creamer
- Confectionery
- Prepared Foods
- Paper Making
- Paper converting
- Canning

GD2R Solutions offers a number of management solutions through its ability of source various ingredients both locally and internationally

When you partner with GD2R Solutions, you join a team with a wealth of experience.

Products

GD2R's strength is our starch and glucose experience and therefore our initial focus will be unmodified and modified starches, powdered and liquid glucose.

Expansion into specialised food and industrial ingredients required by our customers will complement our starch and glucose offering.

Our Services

GD2R's experience in the starch and glucose markets means we can provide technical assistance with product application and with product development projects across many sectors.

The founding members of GD2R have specific experience in the alcoholic beverage, papermaking, paper-converting, jams and spreads and prepared foods.

GD2R Solutions can assist current and potential new customers with technical assistance in these market segments.

Our Commitment

Trusted sales, procurement and marketing support

To be a preferred and committed supplier of quality ingredients

To forge long term business relationships
